PROGRAMS

Pelican Island Elementary is a School of Environmental Science: a Pre-K-5 interdisciplinary approach that focuses on the study of the environment and the solution to environmental problems.

Project Learning Tree: an environmental education program for K-5 to engage students in multidisciplinary, hands-on lessons both indoors and outdoors.

Greenhouses: PIES has 3 greenhouses to grow fruits and vegetables that are transferred to our gardens by classes and clubs.

Recycling program to support a healthier environment with biodegradable trays and a full recycling initiative in the cafeteria.

21st Century: an extended learning opportunity for students and their families to continue to learn new skills and discover new abilities after the school day has ended

Moonshot Academy: an extended learning opportunity supporting students with their literacy skills from 2017-2019

Big Brother, Big Sister School-Based Mentoring: a tutoring and mentoring support for students in the primary grades, focusing on literacy and social/emotional learning)

Special Olympics Young Athletes Program: a sport and play program for students with disabilities

FAU CARD Partnership - Little OWLS Parent Academy: an annual training offered for families of students with autism spectrum disorder

Kindergarten Parent Nights: a quarterly opportunity to learn ways to support kindergarten students with reading and math skills at home through games and play.

Positive Behavior Intervention and Support School: a K-5 behavior system that helps all students achieve both socially and academically.
