ABOUT THE SCHOOL

At Pelican Island Elementary, we believe that Earth Day is every day, and we set up our learning environment in a way that expands beyond the pages of a textbook, beyond the four corners of a classroom, and beyond the outskirts of the protected nature preserve and Certified Wildlife Habitat on which our school is set. Our Pelicans learn through an engaging, solution-oriented approach, they are exposed to gardening, composting, life cycles, recycling, sustainability, and conservation in a way that not only makes them experts, but true advocates for environmental science, impacting our world.
