 - Facilitator: Responsible for keeping the group on task and focused on the protocol.
 - Recorder: Record notes according to the protocol.
 - Timekeeper: Responsible for monitoring times and informing the facilitator when allotted times are exceeded.
 - Reporter: Responsible for sharing out the small group feedback with the large group in a succinct manner.

FEEDBACK PROTOCOL

Steps

1. Each participant will individually brainstorm and write responses to the questions presented on their individual legal-sized feedback sheet.

(2 minutes)

2. In round robin style, the **facilitator** will have each small group team member share, in 30 seconds or less, their reflections in response to the question.

(3 minutes)

- 3. After all small group team members have shared their reflections, the **facilitator** will lead the team through consolidating and reaching consensus on the most important feedback to share with large group. The **recorder** will recorder this information on the tabloid-sized feedback sheet. (7 minutes)
- 4. The **reporter** will be ready to share the information with the larger group when called upon by the meeting facilitator.
