Inside Rx is a “PAW-FECT” Perk on Prescription Savings for Your Pets! If you are a pet parent, you know nothing can replace the love of our furry family members. However, just like humans, health care costs for pets can be expensive. Especially if you are dealing with expenses for prescriptions treating chronic conditions such as diabetes, anxiety, arthritis, or heart disease, it can be a real burden to your budget.

But help is on the way – we have partnered with Inside Rx Pets, a prescription savings program to provide pet parents discounts on brand and generic human medications prescribed for pets at 60,000 participating retail pharmacies.

It’s so easy to get started. Visit www.insiderx.com/saverx to download your Inside Rx Pets card. Once you have your card, use the online calculator to see how much you can save on your pet’s prescription medications or take your card to a participating pharmacy along with your pet’s prescription from the veterinarian. Enjoy the savings* at a participating pharmacy when paying for your pet’s medication. That’s it!

We are providing this perk to you as valuable support, with no cost or obligation for you. Happy Savings!
