

**Notice to all health plan members,**

Florida Blue, the District employee health insurance provider,  
has reprocessed quite a few medical claims in the past year.

Please review your Explanation of Benefits (EOB) Health Statement to determine  
if you are owed a refund from your medical care provider.

**EOB's are available on-line at [www.floridiablue.com](http://www.floridiablue.com)**

You will need to create a user account if you have not done so already.

Please contact Florida Blue directly @1-800-664-5295  
if you have any questions or need assistance.

Instructions to "Reading Your Health Statement  
(Explanation of Benefits/EOB)" can be found on the District's website.

See Directory/Benefits/Resources.
