Section 1002.01, Florida Statutes (F.S.), defines home education as the sequentially progressive instruction of a student directed by his or her parent or guardian in order to satisfy Florida's compulsory education requirements.

Florida Statute 1002.41 specifies the responsibilities of parents who establish a home education program.

- Send a written notice of intent to the school district superintendent. The notice must be filed within 30 days of beginning the home education program and must include the following information:
 - Name of the home education student(s)
 - Birthdate(s)
 - Address
 - Parent's signature
- Maintain a portfolio of educational records. Statute defines a portfolio as
 - A log of educational activities which is made contemporaneously with the instruction and which designates by title any reading materials used, and
 - samples of any writings, worksheets, workbooks or creative materials used or developed by the student.
- Make the portfolio available for inspection by the superintendent upon 15-day written notice (The statute does not require the superintendent to inspect all portfolios).
- Provide an annual educational evaluation of the student's educational progress to the superintendent. The evaluation must consist of one of the following:
 - A Florida certified teacher chosen by the parent may evaluate the child's progress based on a review of the portfolio and discussion with the student.
 - The student may take any nationally-normed student achievement test administered by a certified teacher.
 - The student may take a state student assessment test used by the district and administered by a certified teacher, at a location and under testing conditions approved by the school district.
 - The student may be evaluated by a psychologist holding a valid, active license pursuant to section 490.003 (7) or (8), F.S.
 - The student may be evaluated with any other valid measurement tool as mutually agreed upon by the parent and the superintendent.
- Preserve each student's portfolio for two years.
- Submit a letter of termination and annual evaluation to the school district superintendent upon completion of the home education program, enrollment in a public or private school or moving from the district.
- **Notice:** Homeschool students do not receive a diploma from the school district/FDOE.
- **NOTICE:** If your student has been suspended or referred to IR PREP Center for Transformational Excellence, the student is not allowed on any school campuses and attendance is prohibited at all school-sponsored functions. This includes graduation, sports, and dances.
